(Intro)

You better watch yourself homie
You know 75% of the time a girl really don't want you
She see that paper, you heard me? Yeah

(Hook)

You gotta watch yourself with these hoes
It's bout money, nothing else with these hoes
These niggas, need help with these hoes
The nigga stupid as a motherfucker
You gotta watch yourself with these hoes
Feel me?

(Verse 1)

Know how them hoes have you
Make you feel like you they dude
I'm kinda ho happy but smoking stone what I do
She kinda post status, body look better than food
Throw all your dough at her
She pick up your money and move
You like a dope addict, without a needle in vein
You got an old habit, one that you need to contain
She got you sewed up, she thread and needled your
brain
You done fell in love with a bitch and need to treat her
the same
She throw that ass on you, she recognize you're a lame
Well put a flag on her, put that bitch out of the game
You better pass on her, or you'll be out of some change
She got a tag on her, numbers way out of your range

(Hook)

You gotta watch yourself with these hoes
It's bout money, nothing else with these hoes
These niggas, need help with these hoes
You gotta watch yourself with these hoes
You gotta watch yourself with these hoes
It's bout money, nothing else with these hoes
These niggas, need help with these hoes
You gotta watch yourself with these hoes

(Verse 2)

I know a red bone, she kinda thick in the thighs
She dance to erry song, just to get in niggas eyes
And when they grab on, she says she ready to mob
Take her back to the hotel, you go to sleep and get robbed
You ain't the first nigga, that's what she do, she a pro
Don't go to church with her, cut that bitch loose she a hoe
If you can work with her, tell her with you she can blow
Then get a purse with her, pimp that bitch like hustle and flow
You in the mall with her, what kind of pimping is that ?
Thought you was all nigga, you captain saving the ranch
You bout to fall nigga, you better straighten your act
They got a bone in your new head
I bet she say where you at

(Hook + Outro)

You gotta watch yourself with these hoes
It's bout money, nothing else with these hoes
These niggas, need help with these hoes
You gotta watch yourself with these hoes
You gotta watch yourself with these hoes
It's bout money, nothing else with these hoes
These niggas, need help with these hoes
You gotta watch yourself with these hoes.
