[Verse 3: Juvenile]

I guess I'm the bad guy in this movie  
Dun dun dun dun, dun dun dun dun, here comes Juve  
My courtway don't have no lights  
We don't have nothin but shootouts and murders we  
don't have no fights  
You know  
Give me the chance I'ma show you a lick  
have a gift wrapped packet sent south to his bitch  
Robbin' face dear diary  
I'm lookin for a way out, believin in the gun but I know  
one day its gon' play out  
Fuckin with them, this is UTP day now  
When we hit the projects niggaz know to bring them K's  
out  
weapons in bags stay close to the stash  
my bitch'll put it in her pussy when the po-po's pass  
They gon'fuck with me anyway cuz they know my past  
The really don't appreciate the way I brag  
I got 50 000 dollars in my grill cuz I spit jewels  
Worry bout' me, I'm not concerned bout what a bitch do
