Slow motion for me, slow motion for me
Move in slow motion for me
Slow motion for me, slow motion for me
Move in slow motion for me

Uh, I like it like that she working that back
I don't know how to act
Slow motion for me, slow motion for me
Slow motion for me move in slow motion for me

Uh, I like it like that she working that back
I don't know how to act
Slow motion for me, slow motion for me
Slow motion for me move in slow motion for me

I'm a dick thrower, her neck and her back hurting
Cut throater I'll have you like a brand new virgin
It's like when you get used of it then you start serving
Hop up on top and start jicky, jicky, jicky, jerking

Slow down for me you moving too fast
My fingers keep slipping, I'm trying to grip that ass
Keep being hard headed and I'ma make you get of me
Got human enough disguise but my face is a doggy

If you loving my bark let me bury my bone
I got 4 or 5 bad married bitches at home
One of my bitches feel in love with that outside dick
That outside dick keep them hoe's sick

Uh, I like it like that she working that back
I don't know how to act
Slow motion for me, slow motion for me
Slow motion for me move in slow motion for me

Uh, I like it like that she working that back
I don't know how to act
Slow motion for me, slow motion for me
Slow motion for me move in slow motion for me

It's like I got the world in my palms
Your girl up under my arms, she fucked up from the

charm

She love the way the dick stay hard from 12 till early in
the morn

Fine bitches if you listening you heard me I'm strong

If you going through your cycle, I ain't with it I'm gone
You must have heard about them hoe's that I beat up in
my home

They wasn't telling the truth baby you know they was
wrong

Na, make it official when I'm some of that don

I don't mind buying to, your riding to

Don't be asking nigga questions about where I'm
driving you

'Lil mama my shit together, I ain't driving you

I don't think that nigga could do you better than, I could
do ya know

And Juvenile from 'cross the street by the Derby

Same nigga that used to be running with Rusty and
Kirby

Can a playa from the 'nolia get a chance with it

But I can't bounce with you without using my hands with
it

Uh, I like it like that she working that back

I don't know how to act

Slow motion for me, slow motion for me

Slow motion for me move in slow motion for me

Uh, I like it like that she working that back

I don't know how to act

Slow motion for me, slow motion for me

Slow motion for me move in slow motion for me

Slow motion, she open, I'm hoping that she don't leave
my dick broken

With brush burns and swollen

I'm toting she wanted me to make her out a believer

I guarantee ya, I'ma see ya when, I see ya

And just don't holla out my name like we was all that

Your pussy throw back and you know that

So stop stunting slow motion for a real nigga

I'm going off that incredible potion and I'ma deal with
ya

I like how that Victoria Secret sit in that ass

Let me pour some more hip and Hennessey in your
glass

Would I be violating if I grab me a hand full
I know what's happening all I want is a sample

Who you wit, I'm in the rental today
It's going down and happening and I remember the
way
Less money we spend on bullshit the more for the we
What's it gonna take to get ya to come slow motion with
me

Uh, I like it like that she working that back
I don't know how to act
Slow motion for me, slow motion for me
Slow motion for me move in slow motion for me

Uh, I like it like that she working that back
I don't know how to act
Slow motion for me, slow motion for me
Slow motion for me move in slow motion for me

Uh, I like it like that she working that back
I don't know how to act
Slow motion for me, slow motion for me
Slow motion for me move in slow motion for me

Uh, I like it like that she working that back
I don't know how to act
Slow motion for me, slow motion for me
Slow motion for me move in slow motion for me
