You no gangsta

Chorus

You no gangsta

I don't see coke in yo trunk

You piece of junk

No handles stickin out

And i doubt that grille is real

And i doubt that's a certified gangsta seal

(repeat)

V1

Now i aint a doctor

The only cure for your sickness

Is to erase yo existence

You only make sense

On days where i earn cents

And you kno dollars make sense

But for you, it makes a fence

Blockin u from bein a real g

Now i aint no gangsta myself

But im a straight up mc

Soon to be hittin the shelf

And i don't feel guilty

When i lay down my verse

You hire guys to write yours

That's like stealin outta purse

Now take a look, where you headin

Whos in front of you

Whos bein for real

And whos playin jokes with you

For you, better off neither

Heaven or hell

You droppin barz cause u just got

Built in to jail

(chorus 2x)

You got somethin to say

Well say it when i stop somewhere

'cause i keep goin on and on like infinite stairs

Sit down in a chair

Ill tell u why i crave for success

Why i promise i wont brag
'cause they think im from the west
Aint gonna fake
No copped bulletproof vest
That's a modern thang
The mystery is unsolved
Even with money involved
You can bring your caliber
But this time don't ask your mother
Give one example of a rapper
And im just another
Im 13 and im doin this
Imagine me in a few
Ill be hittin the radio, the magazines
And if im lucky, the news
I gotta be perfected
Hated by few, but mostly accepted
You'll be accepted by the graveyard
You aint tough, you aint hard
You bout to see tha grim
You as talented as a bird
That's trying to swim

(chorus 2x)

Yea
