You came and shut it down
Suddenly you run this town
Wanted to be with you
All I needed was me and you

Now everything is changed
You act differently
You do me wrong
I knew all along

(B-Section)
I know the type
Flashing lights
Have the time of your life
Livin' it up for tonight
Yeah she livin' it up for tonight

(Pre-hook)
Ayy girl? tried to make you my baby
Ayy girl? instead you make me go crazy
I'm losin' my cool
Playing me for a fool

(Hook)
Ayyyyyyyy, ayy girl
Ayyyyyyyy, ayy girl

We were so high
We touched the sky
You broke my heart
Tore me apart

I never lost like this
Now it's you who'll miss
Light I did give
For the right you do live

(B-Section)
(Pre-Hook)
(Hook)

So cold in the rain

Gave my heard in vain
(I'm still in love with you I can't get over you)

Got me goin' insane
Get out of my brain
(I'm still in love with you I can't get over you)

Ayy girl!
