Baby, be the one Baby, let me be the one  
I feel the temperature rise girl when I see you movin'  
It's hot you got me burnin' up so baby let's go  
After all that's said and done, baby you're my only one  
My only fantasy just can't keep my hands down  
You gotta let me know, girl, if you want it tonight  
Your body's so tight, I can make you feel right  
You got me in the zone, Girl let's go on a ride  
Girl, tonight won't stop till you say yeah~

Be the one. Be the one Be the one. Be the one. Do you right.  
Baby come over tonight  
Be the one. Be the one Be the one. Be the one. Do you right.  
Show you the time of your life  
Baby, be the one Baby, let me be the one

I can see it in your eyes - Girl, I know what you're thinkin'  
You wanna be my number one so whatcha waitin' for?  
After all that's said and done, baby you're my only one  
My only fantasy just can't keep my hands down  
You gotta let me know girl, if you want it tonight  
Your body's so tight I can make you feel right  
You got me in the zone Girl let's go on a ride  
Girl tonight won't stop till you say yeah

Be the one. Be the one. Be the one. Be the one. Do you right.  
Baby, come over tonight.  
Be the one. Be the one. Be the one. Be the one. Do you right.  
Show you the time of your life  
Baby, let your mind go I'll take it real slow  
Just get inside! Make you feel alright  
I know you want more! Come now, lose control  
Let your! inhibitions go!

Baby, be the one Baby, let me be the one  
Be the one. Be the one. Be the one. Be the one. Do you right.  
Baby, come over tonight.  
Be the one. Be the one. Be the one. Be the one. Do you right.  
Show you the time of your life  
Baby, be the one Baby, let me be the one
