Yeah brand new JYJ another history you just pule it off

My stage that has begun once more
Under the blazing lights, the surging
feel yo! my screaming
My heart's music that permeates
Let's get it party tonight crazy
I gotta dance now

It makes me hot, the
bulah bulah melody Oh oh
An unknown attraction
beat it beat it crazily Oh oh oh
You made me feel me shock!
I must feel this
I cast a spell on my body
Let's go!

With my moving hand gestures
My breath, fall, fall for me
Your shaking body movement give up

My moving body gestures are met with shouts
