You gotta know I don't blame you,
So don't you go blaming yourself.
As easy as these things get started,
There's really no way to tell
Just how far it will go,
And just how strong it can get.
Yea, sometimes the love ends up one sided,
But there's nothing 'bout you I regret.

So don't worry bout me,
Don't lose sleep,
Don't come savin' me
'Cuz the water here's too deep.
I wouldn't want you to suffer,
Like I have,
Oh no, I don't love you like that.

I want you to find what you're needing,
More than I want you to stay.
I wish you could feel what I'm feeling
But I don't want you hurtin' that way.
'Cuz there are two kinds of love in this world,
The selfish kind - it never wins,
And as hard as it is letting go now,

It would kill me to watch you pretend.

So don't worry 'bout me,
Don't lose sleep,
Don't come savin' me 'cuz the water here's too deep.
I wouldn't want you to suffer,
Like I have,
Oh no, I don't love you like that.

So don't worry 'bout me,
Don't lose sleep,
Don't come saving me 'cuz the water here's too deep.
I wouldn't want you to suffer,
Like I have,
Oh no, I don't love you like that.

Don't worry bout me,

Don't lose sleep,
Don't come savin' me 'cuz the water here's too deep.

Don't suffer,
Like I have,
Oh no, I don't love you like that.
I don't love you like that.
I don't love you like that.
I don't love you like that.
