Song by Cats Don't Dance

artist = Ashley Peldon

[Darla]

I've seen 'em come
And I've seen up go
There's one thing that I know
You gotta give all people
What they want
Or you'll wind up back in Kokomo, Nebraska!

[Danny]

Uhh, Indiana, Miss Dimple.

[Darla]

Whatever!
They like it big!
They like it loud!
Maybe a little bit jazzy sometimes...
Mr. PussyCat listen to me
You don't hafta be good
But you had better be...

BIG AND LOUD!!
Big and Loud!!
Gonna make your momma proud!
Make it Big!
And...
LOUD!!
