Song by Cats Don't Dance

artist = Ashley Peldon

[Darla]

I didn't get where I am today
By letting myself get pushed around!
No man or beast or kitty-cat or doggy
Is going to drag me down!

[Darla, spoken]

Shut up, Max.

[Darla]

The lightning will be flashing
The thunder, it will roar
They'll never know what hit 'em
Wait'll they see what I have in store!

Big and loud!

It will be big and loud!
When the fall they'll really fall!
And they're gonna fall big!
And they're gonna fall loud!
They're gonna fall big and...

Hahahahahahaha... shut up, Max.

Loud!
