Song by Cats Don't Dance

artist = Ashley Peldon/Scott Bakula

[Darla]

Now the people they were so bad  
That the Lord made the rain come down  
And he washed away the bad cities  
And he washed away the bad towns  
And all of the people drowned!

(Ohh! Ohh!)

With the animals it was different  
Though some of them drowned, too  
The others were just poor animals  
And they didn't know what to do!  
So...

I built a little boat  
As cute as it could be  
And I put all the animals two by two  
In my little boat on the sea

The moo-cows went...

[Cows]

Moo! Moo!

[Darla]

The piggies went...

[Pigs]

Oink! Oink!

[Darla]

And all the little birdies went tweet tweet tweet  
In my little boat on the sea!

The doggies went...

[Dogs]

Bow-wow! Bow-wow!

[Darla]  
The kitty cats went...

[Sawyer]  
Meow!

[Danny]  
Meeeeooooow!

[Darla]  
The lion went...

[Lion]  
Roar!

[Danny]  
Meow, meow, meow, meow, meow, meow, meow,  
meow

[Darla]  
In my little boat on the sea!

[Danny]  
Talkin' 'bout the boat on the sea!  
Meow meow meow meow meow meow  
Meow-wow-wow  
On the sea!

Meow?
