if I could make a wish
I think I'd pass
can't think of anything I need
no cigarettes no sleep no light no sound
nothing to eat no books to read
making love with you has left me peaceful
warm and tired
what else could I ask
there's nothing left to be desired

peace came upon me and it leaves me weak
so sleep
silent angel go to sleep

sometimes all I need is the air that I breathe and to love
you
all I need is the air that I breathe and to love you
all I need is the air that I breathe

making love with you has left me peaceful warm and
tired
what more could I ask
there's nothing to be desired

sometimes all I need is the air that I breathe and to love
you
all I need is the air that I breathe and to love you
all I need is the air that I breathe

peace came upon me and it leaves me weak
so sleep
silent angel go to sleep
sleep, silent angel
go to sleep
