Everyone is trying to get to the bar
The name of the bar, the bar is called Heaven
The band in Heaven play my favorite song
Play it once again, play it all night long

Heaven is a place, a place where nothing
Ever happens
Heaven is a place, a place where nothing
Ever happens

There is a party, everyone is there
Everyone will leave at exactly the same time
When the party is over it will start again
It will not be different, it will be exactly the same

Heaven is a place, a place where nothing
Ever happens
Heaven is a place, a place where nothing
Ever happens

When this kiss is over it'll start again
It will not be different, it will be exactly the same
It's hard to imagine that nothing at all
Could be so exciting, could be so much fun

Heaven is a place, a place where nothing
Ever happens
Heaven is a place, a place where nothing
Ever happens

Heaven is a place, a place where nothing
Ever happens
