Just a kiss, just a kiss
I have lived just for this
I can't explain why I've become
Miss Chatelaine

Just a smile, just a smile
Hold me captive just a while
I can't explain why I've become
Miss Chatelaine

Every time your eyes meet mine
Clouds of qualm burst into sunshine

I'm just a sigh, I'm just a sigh
Words my love just reply
I can't explain why I've become
Miss Chatelaine
Miss Chatelaine

Just a smile, just a smile
Hold me captive just a while
I can't explain why I've become
Miss Chatelaine

Every time your eyes meet mine
Clouds of qualm burst into sunshine

Just a kiss, just a kiss
I have lived just for this
I can't explain why I've become
Miss Chatelaine
Miss Chatelaine

Miss Chatelaine
Miss Chatelaine
Miss Chatelaine
