Are you breathing what I'm breathing  
Are your wishes the same as mine  
Are you needing what I'm needing  
I'm waiting for a sign

My hands tremble, my heart aches  
Is it you calling, is it you calling  
If I'm alone in this I don't think I can face

The consequences of falling  
(Consequences of falling)  
Consequences of falling  
(Consequences of falling)

Are you thinking what I'm thinking  
Does your pulse quicken like mine  
Are you dreaming what I'm dreaming  
I can't read your mind

One step towards you, two steps back  
It feels like I'm crawling, feels like I'm crawling  
If I'm alone in this I don't think I can face

The consequences of falling  
(Consequences of falling)  
Consequences of falling  
(Consequences of falling)  
Consequences of falling

My hands tremble, my heart aches  
Is it you calling, is it you calling  
'Cos if I'm alone in this I don't think I can face

Consequences of falling  
(Consequences of falling)  
Consequences of falling  
(Consequences of falling)  
Consequences of falling  
(Consequences of falling)
