Stood together in an open field  
And share the secrets of the night reveal  
Then we chase the light  
Racing through the sky

Can we untangle guilt and innocence?  
How hard we torture this ambivalence?  
Night will bring no dawn  
Where's the power gone?

For I'll steal your dreams while you are sleeping  
And sell them for dust and cheap lust  
And I'll turn your hope while you are weeping  
And cover your eyes with sad lies and dark skies

Come closer to me on your hands and knees  
Alone when your will's gone  
How much is not enough? How much is through?  
How long will I be getting over you?  
How much grief and sin?

Till the heart caves in  
Till the heart caves in  
Till the heart caves in
