cant raise a man
he got older but never grew
for his life he cant tell the truth
how to love he aint got a clue
playing games like hell never lose you
try to talk to him, cant get through
everyday hes a different dude
these are the signs of a grown ass boy
better run for the hills
im just tryna keep it real
you cant raise a man
hes already grown what you gon do
you wonder why he acts like a boy
if he wasnt raised right before you
girl you aint never gon change nobody
if he dont wanna you cant make nobody
cause you cant raise a man
no, ohhh, no, ohhh
coming home any time at night
expecting you to let it ride
how many tears are you gonna cry
playing games like hell never lose you
you know that the love has changed
how many times he called you out yo name
these are the signs of a grown ass boy
better run for the hills
im just keeping it real
you cant raise a man
hes already grown what you gon do
you wonder why he acts like a boy
if he wasnt raised right before you
girl you aint never gon change nobody
if he dont wanna you cant make nobody
you cant raise a man
no, ohhh, no, ohhh
gonna take more than a miracle
to change him just let him go
tell me when will you decide
to do better with your life
if his mama couldnt do it
what makes you think
you can train that boy to be a man

its too late
better off letting him go
no matter how hard you try you cant raise
you cant raise a man
hes already grown what you gon do
you wonder why he acts like a boy
if he wasnt raised right before you
girl you aint never gon change nobody
if he dont wanna you cant make nobody
you cant raise a man
no, ohhh, no, ohhh
