Verse 1:

The sun ain't gonna rise, until it feels right
Just like a man ain't gonna learn, until it's been burnt
Well, I guess I'll lit the match that caused him to act
right
Soon as I let him go, he got another in his life
He gotta up and got a job, no more hanging out tonight
Because i made him my man!

Chorus:

I did it for them heart broken, ride or die chicks
The one who spend their lives putting up with his ish
I did it for the fairy tale wishing, true love searching
Happily ever after chicks.
I did it for them teary eye, lonely night chicks
The ones who know he's wrong, but still put up with it
I did it for the Mr. Right wishing, glass slipper missing,
happily ever after chicks.
This is for my cinderellas, yeah, this is for my
Cinderellas!

Verse 2:

Saw him recently, I could tell that he really loves her
Treats her like a queen, and that's the way it should be
I ain't bitter there's a mister out there for me
Probably with another lover getting prepared for me
When the time is right he won't keep me waiting
Because she made him my man!

Chorus:

I did it for them heart broken, ride or die chicks
The one who spend their lives putting up with his ish
I did it for the fairy tale wishing, true love searching
Happily ever after chicks.
I did it for them teary eye, lonely night chicks
The ones who know he's wrong, but still put up with it
I did it for the Mr. Right wishing, glass slipper missing,
happily ever after chicks.
This is for my cinderellas, yeah, this is for my
Cinderellas!

You can't make nobody love ya, until their heart is fully

mortal

You got away, cause someday you'll be Cinderella
So keep your heart protected, lady
One day you will find your baby
Until then, make another man for my Cinderellas

Chorus:

I did it for them heart broken, ride or die chicks
The one who spend their lives putting up with his ish
I did it for the fairy tale wishing, true love searching
Happily ever after chicks.
I did it for them teary eye, lonely night chicks
The ones who know he's wrong, but still put up with it
I did it for the Mr. Right wishing, glass slipper missing,
happily ever after chicks.
This is for my cinderellas, yeah, this is for my
Cinderellas!
