Think you bossing and cause you bought some titties
and some teeth

God made me, you're just a trick that upgraded me.

'Cause you can lie on every radio and shit,

But your karma ain't gonna let you get away with it.

So tell your bitch stop talking about shit she ain't seen
I don't mean no disrespect, but she don't wanna fuck
with me.

'Cause I'll be on my bullshit, they just wanna stop it,
always try to question it.

But this is just the way I is, take it or leave it.

Yeah, I might be crazy, but I'm talented as fuck

And all I wanna do is drink this Jack in my cup

And go off, I go off, man, I go off, I go off.

Everybody's saying that I won't be shit,

But them the same niggas that be riding my dick,

I go off, I go off, man, I go off, I go off.

It's funny how they do you, they love you, then they
hate you.

These real niggas is dying out, I'm listening to my
radio

Like 'what the fuck is y'all talking about?'

Ain't nothing y'all can tell me about this music shit

I done seen it all, I done survived it.

Niggas want that fast fame, they never end up lasting.

K. Michelle forever and I don't give a fuck if you feel the
same.

'Cause I'll be on my bullshit, they just wanna stop it,
always try to question it.

But this is just the way I am, take it or leave it.

Yeah, I might be crazy, but I'm talented as fuck

And all I wanna do is drink this Jack in my cup

And go off, I go off, man, I go off, I go off.

Everybody's saying that I won't be shit,

But them the same niggas that be riding my dick,
I go off, I go off, man, I go off, I go off
