I can tell that you like but, but its all for the chase
Im too into myself I need space
Though you want more
Im not ready to open that door
I just want you to drop yo pants to the floor
Cuzz im alittle scared of commitment
But tonight ill commit

Cuzz I just wanna fuck
And not fall in love
Dont wanna go through the pain that love can bring
Tonight I want sex that dont mean a thing
That dont make me no slut
A woman has her needs
So dont go catching feelings for me
Tonight I want sex that dont mean a thing

I know this aint lady like
And you gone run and tell yo friends about tonight
And how i did you right
And i dont give a damn i will be alright
Damn, I love my life
So why is everybody being so uptight ?
I told yal from the start, K. Michelle aint bout that life

Cuzz im a little scared of commitment
But tonight ill commit
Cuzz I just wanna fuck
And not fall in love
Dont wanna go through all the pain that love can bring
Tonight I want sex that doesnt mean a thing
That dont make me no slut

A woman has her needs
So dont you go catching feelings for me
Tonight I want sex that dont mean a thing

Come and do, what is I asked you to
Nothin more, nothing less
Just make me feel good

Cuzz I just wanna fuck

And not fall in love
Go through all the pain that love can bring
Tonight I want sex that dont mean a thing
That dont make me no slut
A woman has her needs

Dont go catching feelings for me
Tonight I want sex that doesnt mean a thing
