Trend setter  
Hey ladies, real talk  
If yall donâ€™t listen to nothing I say,  
Yall listen to this  
This that pain medicine, the real  
So check it out, uh true story  
I know that you want happy ever after  
And Iâ€™m not saying it donâ€™t exist  
But you canâ€™t keep forcing fairy tale romance  
On a temporary prince  
Cause love ainâ€™t supposed to hurt  
Remember what youâ€™re worth  
You gotta come first  
And no matter how bad you want him around  
You canâ€™t be a star with him pulling you down  
Ohhhhh  
Cause heâ€™s just not that in to you  
Quit chasing and face the truth  
This ainâ€™t meant to discourage  
Donâ€™t keep giving him your heart  
Tired of seeing us hurting  
Crying over men that ainâ€™t worth it  
Know when to walk away  
Cause heâ€™s not into you  
People only do what you allow them to  
So stop letting a man run your life ohh  
Cause no one cares for you the way that youâ€™re  
supposed to girl  
You gotta learn to give  
To say good bye, saying good bye  
Cause love ainâ€™t supposed to hurt  
If he aint coming home  
Quit calling his phone, (oh yeah)  
Girl beware of the signs  
Quit wasting your time  
Heâ€™s playing with ya mind hey  
Cause heâ€™s just not that in to you  
Quit chasing and face the truth  
This ainâ€™t meant to discourage  
Donâ€™t keep giving him your heart  
Tired of seeing us hurting  
Crying over men that ainâ€™t worth it

Know when to walk away  
Cause heâ€™s not into you  
Iâ€™ve been where youâ€™ve been  
Iâ€™ve wasted tears and precious time  
Gave all of me just to end up empty (yeahh yeah)  
But Iâ€™m a live an example  
Of what happens when you say no more  
Donâ€™t let another stop you from living  
You gotta know  
Heâ€™s just not that in to you  
Quit chasing and face the truth  
This ainâ€™t meant to discourage  
Donâ€™t keep giving him your heart  
Tired of seeing us hurting  
Crying over men that ainâ€™t worth it  
Know when to walk away  
Cause heâ€™s not into you  
All my ladies  
Heâ€™s not into youuuu yeah
