This is for all, all of my girls whose lost someone they really loved

This is for you, you , you \*2

Ive had some rough days and some lonely nights..  
Why he don't want me Im asking God why??  
Cant make him love me cause he just don't care,  
I know that sounds crazy but I still want him here

(Hook)

Whats wrong with me and what don't he see,  
When he told me he was leaving me ,  
oh i just died, died, died..  
broke down and cried, cried, cried..

Chorus

If he broke your heart, if he made you cry, he keep  
tellin lies  
Turn the radio Up High  
Your all alone at night, you know he ain't right, you  
gave him your life..  
Turn the radio up high  
Praying one day that he might get better , take it from  
me girl it don't get no better say OOOhh say OOh  
turn the radio up high

See me calling your phone why don't you pick it up,  
don't make me ride by your house I bet your with her,

you stepping on my pride and now im in disbelief  
what is this?? how the hell you choose her over me..

(Hook)

so whats wrong with me i give you everything,  
When he told me he was leaving me ,  
oh i just died, died, died..  
broke down and cried, cried, cried..

Chorus

If he broke your heart, if he made you cry, he keep  
telling lies  
Turn the radio Up High  
You're all alone at night, you know he ain't right. you  
gave him your life..  
Turn the radio up high  
Praying one day that he might get better , take it from  
me girl it don't get no better  
say OOHh say OOh  
turn the radio up high

(bridge)

Outside I'm smiling but inside I'm dying,  
People said I moved on then I would be lying..  
I know in my heart I can do better than you..  
but my heart won't let me I'm so confused

(Chorus)
