You know that I don't back  
You doing what you want without you  
Letting me know that you do  
(So I can do it to)

We been so together  
And if there were ever  
Reason to change it  
I'm sure we could arrange it baby

Something's wrong  
(If you really think that)  
You're the only one to get away with it  
I know what you're thinking  
It's starting to sink in

Chorus:  
Why does everthing  
Have to be a lovething  
Think of all the sorrow that love brings  
Is it where we really wanna go  
I really don't think so  
Why does everthing  
Gotta be a lovething  
Why can't we dig each other  
And just hang  
Is it where we really wanna go  
I really don't think so

I'm not one to go on  
Your pre-conceptions  
Correct behaviour  
It's really not my flava,baby

Something's wrong  
(If you really think that)  
You're the only one to get away with it  
I know what you're thinking  
It's starting to sink in

Chorus

I don't need a ring on my finger  
I kinda like be a single  
Commitment don't fit me it bit me one time  
And I still don't know

Chorus
