[Puff]

Lookin' at my Rollie, it's about that time  
For SWV to drop a jam on mine  
Playa's talk the talk but they can't walk it  
We make the whole country bounce when we New York  
it  
Don't speak about it, be about it  
Seein' Puff on your tube, feelin' weak about it  
I got the skill of an actor, wind chill factor  
Minus five five, coolest man alive  
Baby, who dat is? Oh, that's just Puff Daddy  
Keep you on my mind, like I keep me on my shine  
And I feel fine  
Sex real time  
While I'm in your deck on rewind  
Oh I make it hot, till you're jellin' what PD got  
Since PD rock, see me not  
So many bricks I build a tenament  
We'll do the freaky thing baby girl  
If you're into it

[SWV]

I'm looking for a lover that  
Can make a sacrifice  
A lover that will understand  
Will always be by my side  
I pray the Lord so I can find  
My Mr. Right  
So who can it be the one for me  
I need

1 - Someone that I can believe  
Someone to satisfy me  
I need love  
Someone who's faithful and true  
Oh baby, can it be you  
I need love

Oh, can it be that you're the one  
And I've been too blind to see  
You're everything I'll ever need

Someone will love me for me  
I wanna know, I wanna see  
My destiny  
If your love is true I'll love you too  
Cuz I need

Repeat 1  
Repeat 1

2 - You could be the one  
Love of a lifetime  
Oh baby can it be the one for me  
I need to know  
Want you to be mine  
Baby, why can't you be my everything

[Puff]  
Check this out  
You all know the Steve's, SWV's  
Gone for a minute  
Chillin' cross seas  
Back on the scene  
Pocket full of cream, now  
Gone so long thought they was locked in the Penile  
Meanwhile  
They be bumpin' in the clubs  
Can we get freaky tonight, sho' 'nuff  
Puff and J-Dub  
Platinum stats, plush oriental rugs, and platinum  
plaques  
Come on

Repeat 2  
Repeat 1
