Chorus:

And when she on the dance floor,  
She make me wanna turn my money up  
I wish I knew where you came from  
I really hope they made more of you  
You shook me in Hollywood,  
I show you what this dough would do!  
Just show me 'em Benjamins, Ben, Benjamins, Ben  
That's how she likes it!  
Benjamins, Ben, Benjamins, Ben  
If you ain't got a nigger fuck off!  
Money power respect, fuck off!  
Money power respect, fuck off!

Don't act like you don't know  
I just became the industry's new...  
Flocking on you bastards, caskets for your career  
I'm the biggest shit this year!  
Oh, oh!  
You own me!  
Bad thing, they didn't want me  
Now I'm hot, they're all on me  
Now I can take your girl back to the...  
For this deep, deep in her belly!  
... unless she saying she love me  
... unless she saying she trust me  
I look up in her eyes, just shut up baby just...  
I want it nasty and disgusting!  
It's feeling good, hey  
Honey roll up my rifle  
Ride through the city, banging loud through the  
speakers  
Pocket full of money, I'll be doing what I wanna do  
... in the air cause I want to!

Chorus:

And when she on the dance floor,  
  
She make me wanna turn my money up  
I wish I knew where you came from  
I really hope they made more of you

You shook me in Hollywood,  
I show you what this dough would do!  
Just show me 'em Benjamins, Ben, Benjamins, Ben  
That's how she likes it!  
Benjamins, Ben, Benjamins, Ben  
If you ain't got a nigger fuck off!  
Money power respect, fuck off!  
Money power respect, fuck off!

... hundred niggers on my team  
... what it seems like, seems like  
She says she don't wanna leave you  
... she wanna rue with me  
You know I live a dream life!  
I came here to cause trouble  
Check the club down after party at the crib  
Get busy, catch me at the...  
She don't wanna waste on my time...

Chorus:

And when she on the dance floor,  
She make me wanna turn my money up  
I wish I knew where you came from  
I really hope they made more of you  
You shook me in Hollywood,  
I show you what this dough would do!  
Just show me 'em Benjamins, Ben, Benjamins, Ben  
That's how she likes it!  
Benjamins, Ben, Benjamins, Ben  
If you ain't got a nigger fuck off!  
Money power respect, fuck off!  
Money, power, respect!  
Money, power, respect
