Remember when I said I don't give a damn about ya
So many bad girls
I'd be better off without ya
Girl I was catching feelings
Don't wanna reveal my secrets
Sometimes it's hard to fall in love with a playa
Would you put me on blast if I
Showed you a love that's magnified
Had me lookin' real stupid
I been shot by a cupid
I couldn't keep it concealed inside

I won't be happy until you're all mine
You should be happy that you're all mine
'Cause your my favorite girl
Favorite girl
Favorite girl
Still there's a conflict of interest
How'd we get into this
I'm torn between the thought of losing you
But there's a conflict of interest
Said there's a conflict of interest
Torn and I don't know what to do
A conflict of interest

Can't be the one lookin' foolish if we ever fall apart
So many times I been wrong
I don't even know where to start
So easy to lose track
Tell them hoes to fall back
'Cause I know my shawty's in love with me
It's too real to risk it all
If you were gone I'd miss it all
You'd leave me wondering what's next
Have me feening your sex
Make it bounce like a basketball

I won't be happy until you're all mine
You should be happy that you're all mine
'Cause your my favorite girl
Favorite girl

Favorite girl
Still there's a conflict of interest
How'd we get into this
I'm torn between the thought of losing you
But there's a conflict of interest
Said there's a conflict of interest
Torn and I don't know what to do
A conflict of interest

I wanna be honest
'Cause I love ya
Wanna put it on the table
Right now I got another
Girl and she's bad
Oh so bad
Don't wanna break you heart
Girl I hate to see you sad
Oohhh
Now I'm caught between the two of ya
I can't stand the thought of losing her
Nooo
So we gotta make it work
For better or worse
Ohhh

I won't be happy until you're all mine
You should be happy that you're all mine
'Cause your my favorite girl
Favorite girl
Favorite girl
Still there's a conflict of interest
How'd we get into this
I'm torn between the thought of losing you
But there's a conflict of interest
Said there's a conflict of interest
Torn and I don't know what to do
A conflict of interest
