I've never felt like this before
W-o-o-oh
I've never met a down-ass bitch like you before
I finally found a love that will last forever
For too long I searched and I didn't find a compatible
other

Chorus:

You make it so easy to love you, easy to love you, easy
to love you
You make it so easy to love you, easy to love you, easy
to love you
And when you look me my eyes, I can tell that it's ok
We're going all in, all in, all in, or nothing

You can't even lie, I'm the best you've ever had
I can't even lie, you're the best s*x I've ever had
You make the hardest decisions so simple

Chorus:

You make it so easy to love you, easy to love you, easy
to love you
You make it so easy to love you, easy to love you, easy
to love you
And when you look me my eyes, I can tell that it's ok
We're going all in, all in, all in, or nothing

My daddy told me go all out till the death of me
I'm going all in till there's nothing left for me
Na, na, na, na, na, na
Uh, uh, uh
I told her lift that motherf*cking dress up
Let's do it on the dresser
She love me for me, I ain't even gotta impress her
I promise I won't waste your time
Our love is off-ways on my mind
Baby it's nothing, show you my affection
It's just a habit to do more than you expecting
Baby, if you didn't know,
You fit the description of what I've been missing all my
life

I'm the best you've ever had
I can't even lie, you're the best s*x I've ever had
You make the hardest decisions so simá¹—le

Chorus:

You make it so easy to love you, easy to love you, easy
to love you

You make it so easy to love you, easy to love you, easy
to love you

And when you look me my eyes, I can tell that it's ok

We're going all in, all in, all in, or nothing

You make it so easy to love you, easy to love you, easy
to love you

You make it so easy to love you, easy to love you, easy
to love you
