Sometimes I cry about us
Nobody really knows the way I feel
I can't survive without you
How do I make you understand that I'm for real
I know I made some mistakes in the past
girl I really don't deserve another chance, but
baby please dont turn away so fast
won't you let me show you that I'm a better man

Girl I promise this time
I'll be honest this time
I'll make you mine
I'll make you mine
If you stick with me
Soon you will see
I am all that you need
And that's all I wanna be

If you wanna ride with me baby
Come and roll with me baby
Take the wheel now
tell me how you feel now
Girl I promise this time
I'll be honest this time
I'll make you mine
I'll make you mine, all mine

Girl I promise this time (3x)
I don't wanna hurt
Girl I promise this time (3x)
I don't wanna hurt you, anymore

I know I broke your heart girl
I'll do anything to have you back in my world
I'll prove that I am ready
I'll pass your class, come test me
I will be here until the end
And I never wanna see you hurt again baby
You're my lover and very best friend
And it all depends on you

Girl I promise this time
I'll be honest this time
I'll make you mine
I'll make you mine
If you stick with me
Soon you will see
I am all that you need
And that's all I wanna be

If you wanna ride with me baby
Come and roll with me baby
Take the wheel now
tell me how you feel now
Girl I promise this time
I'll be honest this time
I'll make you mine
I'll make you mine, all mine

Girl I promise this time (3x)
I don't wanna hurt
Girl I promise this time (3x)
I don't wanna hurt you, anymore
