I've never felt like this before,  
I never met a down ass bitch like you before.

I finally found a love that will last forever,  
For too long I searched and didn't find a compatible  
other.  
You make it so easy to love you, easy to love you,  
Easy to love you  
You make it so easy to love, easy to love,  
Easy to love you

And when you look me in my eyes I can tell that it's  
okay,  
We're going on, on, on

You gave me the light, I'm the best you've ever had  
I can't even lie, you're the best sex I ever had  
You make the hardest decision so simple

You make it so easy to love, easy to love,  
Easy to love you  
You make it so easy to love, easy to love,  
Easy to love you  
And when you look me in my eyes I can tell it's okay,  
We're going on, on, on.

My daddy told me go all out 'till the death of me,  
I'm going all until there's nothing left for me.  
No, no, no, no.  
I told her lift that motherfucker dresser,  
Let's do it on the dresser,  
She love me for me, I ain't even got to impress her, test  
her  
She won't even know she come up fat, fat  
While I'm waitin' in the car â€¦  
My get away driver.
