You just a cold blooded killer
Charming personality
Shining like glitter
But it don't really matter
I know, I know
He's a certified player
I know, I know
Got thirty-one flavors

I need a man
I can have all to myself
I don't want to share him with
Nobody else
So you can keep the cars ready
Cars in the crib
No I don't need your money
You can check out how I live

I need love
My heart needs love
But I can't give you a chance
And it's all because
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt

So I don't need
I don't need, I don't need
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt

I don't need a sugar daddy
To call me on the telephone
With a chick in the background
Sayin' he ain't coming
I know, I know
What's the use of fighting?
I know, I know
He don't even deny it

What's the point of wasting all of these goods?
I promised him
Promised I wouldn't wish he
Would of stuck around
But he's just a sucker now

You remind me of my
Eh, eh, eh, eh, Ex
I don't need another
Eh, eh, eh, eh, Ex
I'd rather be doing my thing
On my own
With nobody to answer to
Cause I'm through

I need love
My heart needs love
But I can't give you a chance
And it's all because
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt

So I don't need
I don't need, I don't need
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt

I ain't no sex in the club
Type chick
Tryna get pregnant
By him just cause he rich
I need that real deal
Wanna know how it feels
To fall in love

A kind of love that's destined
For me
It's on its way
I won't be worried
So for now I'll just provided
For myself
So forget we ever met
I don't need your help
It's the crazy things we do
The things you do for love

I need love
My heart needs love
But I can't give you a chance
And it's all because
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt

So I don't need
I don't need, I don't need
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt
