You said them jeans fit just right  
You're everything that I like  
Back into the night  
You're leaving with me

You expressed the death thats on my bike  
You're pulling me to me see in your eyes  
Don't fight it  
Don't fight the feeling

Every time I see you in around  
You're so incredible  
You're so incredible  
And every time I see you in around  
You're so incredible  
You're so incredible

There's no reason for being beautiful  
That you were  
Easily distracted when you do your thang, thang, thang  
You're the sweetest candy girl  
Are you edible?  
Unforgettable, so incredible

When you dance you make me sweat  
Teasing me, playing hard to get  
Girl you turn me on  
Can press on up on me  
The way you're running it on the floor  
Don't want some of it, give me more  
Let you know when we're ready to go, go, go, go  
Every time I see you in around  
You're so incredible  
You're so incredible  
And every time I see you in around  
You're so incredible  
You're so incredible

There's no reason for being beautiful  
That you were  
Easily distracted when you do your thang, thang, thang  
You're the sweetest candy girl

Are you edible?  
Unforgettable, so incredible

Not the go, on the floor  
Wish you'd show, sure you know what you're doing  
Baby baby

I'm surprised its alright  
Just tonight you're the star when you're moving  
Yes you are

There's no reason for being beautiful  
That you were  
Easily distracted when you do your thang, thang, thang  
You're the sweetest candy girl  
Are you edible?  
Unforgettable, so incredible
