Every time my phone rings and my shawty sitting next  
to me  
She look me right in eyes like why don't you pick it up  
but I already  
Know who could it be before I put my self in trouble I  
better think it  
Through  
Can't talk now speacially not to you  
Think fast needa cover up hurry up don't wanna give  
my girl no clues  
Oohh ooo oohh  
I cnt keep slipping liek this  
Now she all in my grill trying her best to make me feel  
guilty

Missed call operator operator when I'm with my girl  
better hold all my  
Calls for later  
Don't wanna ask her any question she don't ned no lies  
or deception  
That one missed call got my girl suspicious she don't  
wanna do the dishes  
She's really really trippin help what can you do for me  
operator operator  
Help me help me operator operator  
It was an unknon number or private just the same the  
txt msg messed me up

I think it's time I plead my case

Missed call operator operator when I'm with my girl  
better hold all my  
Calls for later  
Don't wanna ask her any question she don't ned no lies

or deception  
That one missed call got my girl suspicious she don't  
wanna do the dishes  
She's really really trippin help what can you do for me
