[Slow It Down Lyrics On]

I know you need to slow down (eey)
Fo you hurt somebody (fo you hurt somebody)
Never seen nobody (never seen nobody)
Do it quite the way that you do (quite the way that you)
You need to slow down
You'z a little hardy (a little hardy)
And I wanna see you work that body
So lets go 'head do the do..

Ooh ooh baby
The way you move is got me pumpin' my breath (you
got my pumpin')
Ooh lady I wont stop I'll do what ever it takes (do
whatever) ooh baby
I must confess infectuation for you(I'm infectuated)
Oh lady I'm so caught up but tell me what you gon' do,

God you need to slow down

You need to slow down, fo you hurt somebody, never
seen nobody(I never seen nobody) do it quite the way
that you do, you
Need to slow down you'z a little hardy, and I wanna see
you work that body, so lets go 'head do the do, ooh
