You're such a party girl,  
So addicted to a fast lane lifestyle.  
She's a Ferari girl,  
This night is far from over,  
I put her down and told her.

If you want it, if you're with it,  
Don't be shy, you can get it.  
If you're feeling what I'm feeling  
Bring your body like ademnis.  
If you want it, if you're with it,  
Don't be shy, you can get it,  
If you're ready, if you're willing,  
Close your eyes, absorb the feeling.

She said just move around me, move around me,  
That's when I put my hands all on her body, on her  
body,  
She took the leading and she whispered in my ear she  
wants it now.

Now we're in the bathroom, half naked,  
Sexing to David Guetta, I swear I just met her for the  
first time.  
In the club, in the club, yeah.  
That spontaneous love.

I won't promise you a future,  
We're both neutrally seducted for the night.  
And if your friend keep looking over  
She'll be invited to spend the night of fantasy.  
I love a nasty bitch, working that ass so hard like a ball,  
I gotta get it.  
And know I love a nasty girl,  
I wanna know how far you'd go.

She said just move around me, move around me,  
That's when I put my hands all on her body, on her  
body,  
She took the leading and she whispered in my ear she  
wants it now.

Now we're in the bathroom, half naked,  
Sexing to David Guetta, I swear I just met her for the  
first time.  
In the club, in the club, yeah.  
That spontaneous love.
