You got me waking up
The thoughts of us breaking up
Haven't we made it up before
Next to each other under the cover
My number one lover
Yes you are to me
Though I cross the line sometimes
I don't care I don't care oh no no
I ain't perfect but I'm worth it
I deserve it just one more chance with you

From day one I told you, I showed you I love you I love
you I love you (and it feels good)
And baby I'm saying, I'm staying I need you I need you I
need you
Tell me what you waitin' for
Do you want me to say I'm sorry, well baby girl then I'm
sorry (for the things I've done)
Tell me what you waitin' for
Won't you pick up the phone and call me
Baby why you keep on stallin'
Tell me what you waitin' for

You know I'm running around
I'm a working man
You got to understand babe
Cause I can't do this lying is useless
You know what the truth is oh I care for you
Girl you love me good oh just like you should
And if i could you know I would
But I can't live without you in my life
From day one I told you, I showed you I love you I love
you I love you (and it feels good)
And baby I'm saying, I'm staying I need you I need you I
need you
Tell me what you waitin' for
Do you want me to say I'm sorry, well baby girl then I'm
sorry (for the things I've done)
Tell me what you waitin' for
Won't you pick up the phone and call me
Baby why you keep on stallin'
Tell me what you waitin' for

Don't wait too long
Let's keep the fire burning
On and on
You got my body yearning
Know you do girl
You know the truth girl
I'll do whatever I'll do whatever

From day one I told you, I showed you I love you I love
you I love you (and it feels good)
And baby I'm saying, I'm staying I need you I need you I
need you
Tell me what you waitin' for
Do you want me to say I'm sorry, well baby girl then I'm
sorry (for the things I've done)
Tell me what you waitin' for
Won't you pick up the phone and call me
Baby why you keep on stallin'
Tell me what you waitin' for
