Ohh, hah  
Been about three years today  
I Guess it's time for me to run away  
Ru - Ru - Runaway (repeated)  
Run away  
Run away  
Run away

Be careful what you ask for  
Appreciate the little things -- might change, tomorrow  
So I guess I'm the only one to blame 'cause with fame  
comes sorrow  
The money ain't everything  
Spent so many benjamins  
Never got the real thing I really need

He doesn't qualify  
I see it in his eyes  
Every time he lies he hurts another part of me  
He loves to see me cry  
I've spent so many times fighting back my tears  
Let 'em flow, oh oh oh

It's been about three years today  
I Guess it's time for me to run away  
Ru - Ru - Run away  
I guess that I'm gonna run away  
Run away  
Run away  
Run away  
(repeated)

Don't you try to hold me back  
Any strings attached will be cut like rubber  
My only lover, I never thought you'd be the one who'd  
bring it down  
Now, oh, that things are looking up don't you come  
around tryin' to apologize  
'Cause since I gave you up (up), things have been  
really good for me

He doesn't qualify

I see it in his eyes  
Every time he lies he hurts another part of me

It's been about three years today  
I Guess it's time for me to run away  
Ru - Ru - Run away  
Ohhh, ohhh  
I guess that I'm gonna run away  
Run away  
Run away  
Run away  
(repeated)

Nobody knows  
how hard it is  
to hold it all inside  
And I'm a survivor  
Who used to be a part of Bonnie & Clyde (?)

It's been about three years today  
I Guess it's time for me to run away  
Ru - Ru - Run away  
I guess that I'm gonna run away  
Run away  
Run away  
Run away  
(repeated)
