(Verse)

There she goes, and dancing round and round,  
So incredible, and everything around her  
She don't know it, but she'll be mine,  
I'm gonna tell her why,  
She's everything.

Like a magazine, a muse,  
Baby, is a beauty,  
You belong to the movie screen.  
When she pass me by  
I'm gonna tell her why,  
Baby girl

Fellas, don't be jealous,  
Imma take her by the hand and watch us dance.  
And when she's next to me  
This is what I'm gonna say

(Chorus)

I love the way you move, girl,  
I love everything you do, girl,  
I love the way you stall your hair,  
I love the way you smile, girl.  
You don't know my name and I,  
I just wanna tell you why  
I love, I love, I love, I love you, girl.

(Verse)

There she goes, my future Mrs, lady,  
She don't even know,  
But she gonna be my baby.  
People saying that I'm not her type,  
Anyway, I'm gonna tell her I,  
I can change, change my last name.  
Money ain't a thing when it come to diamond rings,  
I'm the king and she's my queen.  
Imma drop down on one knee and say

(Chorus)

I love the way you move, girl,

I love everything you do, girl,  
I love the way you stall your hair,  
I love the way you smile, girl.  
You don't know my name and I,  
I just wanna tell you why  
I love, I love, I love, I love you, girl.

(Chorus)

I love the way you move, girl,  
I love everything you do, girl,  
I love the way you stall your hair,  
I love the way you smile, girl.  
You don't know my name and I,  
I just wanna tell you why  
I love, I love, I love, I love you, girl
