Is there anything you want from me  
My arms, my life, my energy  
I don't know how far I can go  
Everything says no  
But you know how it goes when  
You're used to your side of the bed  
I know you don't belong in this room  
But you're here now  
So what can I do  
All that I am is  
All I was taught to be  
All that you are is  
A wall between myself and me

Have you ever really looked at me  
Or thought about me secretly  
Do I make you wonder at all  
About the speed of light  
Outside our little world we might not  
Feel so alone  
I know you don't belong in this room  
But you're here now  
So what can I do  
All that I am is  
All I was taught to be  
All that you are is  
A wall between myself and me
