I don't know who you are  
But you seem very nice  
So will you talk to me  
Shall I tell you a story  
Shall I tell you a dream  
They think I'm crazy  
But they don't know that I like it here  
It's nice in here, I get everything for free

Have you been here before  
Shall I show you around  
It's very pretty  
Have you come here to stay  
Well, you sure picked a day  
My name is Billy  
It's my birthday, you're invited to my party down the  
hall

Where I go, what I'll become or who I am or what I'll be  
I'll never know, but I am sure that I'll get everything for  
free

I'm not troubled or sad  
I'm just ready for bed

It's been a long day  
Before they switch off the lights  
It truly was a delight  
They think I'm crazy  
But they don't know that I like it here  
It's nice in here

Where I go, what I'll become or who I am or what I'll be  
I'll never know, but I am sure that I'll get everything for  
free

Where I go, what I'll become or who I am or what I'll be  
I'll never know, but I am sure that I'll get everything for  
free  
Everything for free

I don't know who you are

But you seem very nice  
So will you talk to me  
Have you been here before  
Well, you sure picked a day  
They think I'm crazy
