Outside it's rainin', still you shine
How I've missed your trembling hands inside of mine
Been away for ages, still you care
Do you count the Sundays when I'm there?

Teach me how to watch this game
The way you see it through your magical frame
Time is tickin', try to see
That I am you and you are me

Don't deny that you're afraid to go
Don't deny that you wanna cry
Look around and watch your children grow

I feel love in every sigh
If you're not scared, then why am I?

Tell me stories, tell me more
Make me feel guilty for being bored
Tell me how to pick up things I've dropped
Please keep talkin', never stop

Don't deny that you're afraid to go
Don't deny that you wanna cry
Look around and watch your children grow
I feel love in every sigh
Pray for eternity to fly

Don't understand but how I try
If you're not scared, then why am I?

I feel love in every sigh
Pray for eternity to fly
Don't understand but how I try
If you're not scared, then why am I?
(Aaa)
Why am I?
(If you're not scared, then why am I)
Why am I?
(If you're not scared, then why am I, aaa)
Why am I?
