Thunder, please explain

(Please explain)

Why you ask me how I am?

I'm fine I wonder is it sane?

(Is it sane?)

To pierce purple eyeballs made of China

I love you like a son, like a game I have won

(I love you like a son, like a game I have won)

Like a toothbrush, I used for the Eiffel Tower

(Like a toothbrush, I used for the Eiffel Tower)

My youth, it is gone, it's a boot stuck in the ground

(My youth, it is gone, it's a boot stuck in the ground)

Is there truth to be found in an iron flower?

(Is there truth to be found)

Mmm aye mmm aye

I will try hard to be a spark of power

Mmm aye mmm aye

I will, I'll never be your iron flower

Stone, please explain

(Please explain)

Why your silence makes more noise than thunder

Bones, is it sane?

(Is it sane?)

To obey me and the flesh you're under

Your words are soon gone and it hurts, I have none

(Your words are soon gone and it hurts, I have none)

Take a jump from your pretty linguistic tower

(Take a jump from your pretty linguistic tower)

The goal of speech, so obnoxious to reach

(The goal of speech, so obnoxious to reach)

Only one thing to do, melt your iron flower

(Only one thing to do)

Mmm aye mmm aye

I will try hard to be a spark of power

Mmm aye mmm aye

I will, I'll never be your iron flower

Ohh

(Mmm aye mmm aye)

Yea oh
