Iâ€™ve been watching as you
Move through the maze that I drew

Oh, how you waltzed into
My ugly view
Your secret to no secrets from you

I have searched for my truth
Tricked by the hope of my youth

Oh, I found good and bad
No brilliant plan
No places to go or faces to know

I got skilled in avoiding the will
To accept I was wrong
Write the ultimate song for you

If I made time for regretting the past
Nothing would be left to make this moment last

Iâ€™ve been watching as you
Make whatâ€™s impossible true
The air that I need
The life that I breatheIâ€™ve been watching as you
Move through the maze that I drew

Oh, how you waltzed into
My ugly view
Your secret to no secrets from you

I have searched for my truth
Tricked by the hope of my youth

Oh, I found good and bad
No brilliant plan
No places to go or faces to know

I got skilled in avoiding the will
To accept I was wrong
Write the ultimate song for you

If I made time for regretting the past
Nothing would be left to make this moment last

Iâ€™ve been watching as you
Make whatâ€™s impossible true
The air that I need
The life that I breathe
