Oohoo (19x)

Breath it in and breath it out
And pass it on it's almost out
We're so creative and so much more
We're high above, but on the floor

Chorus1: It's not a habit, it's cool
I feel alive
If you don't have it your on
the other side

The deeper you stick it in your vein
The deeper the thoughts there's no more pain
I'm in heaven, I'm a god
I'm everywhere, I feel so hot

Chorus2: It's not a habit, it's cool
I feel alive
If you don't have it your on
the other side
I'm not an addict (maybe that's a lie)

Oohoo (8x)

It's over now, I'm cold, alone
I'm just a person on my own
Nothing means a thing to me
Oh, nothing means a thing to me

Chorus2

Free me, leave me
Watch me as I'm going down
Free me, see me
Look at me I'm falling
And I'm falling.....

It is not a habit, it is cool
I feel alive I feel.....
It is not a habit, it is cool
I feel alive

Chorus2

I'm not an addict, I'm not an addict, I'm not an addict.
