Any time tomorrow I will lie and say I'm fine  
I'll say yes when I mean no  
And any time tomorrow  
The sun will cease to shine  
There's a shadowman who told me so  
Any time tomorrow the rain will play a part  
Of a play I used to know  
Like no other  
Used to know it all by heart  
But a shadowman inside has let it go  
Oh no, let go of my hand  
Oh no, not now I'm down, my friend  
You came to me anew  
Or was it me who came to you  
Shadowman  
Any time tomorrow a part of me will die  
And a new one will be born  
Any time tomorrow  
I'll get sick of asking why

Sick of all the darkness I have worn  
Any time tomorrow  
I will try to do what's right  
Making sense of all I can  
Any time tomorrow  
I'll pretend to see the light  
I just might  
Shadowman  
Oh here's the sun again  
Isn't it appealing to recline  
Get blinded and to go into the light again  
Doesn't it make you sad  
To see so much love denied  
See nothing but a shadowman inside

*[Chorus]*

Oh, if you're coming down to rescue me  
Now would be perfect  
Please, if you're coming down to rescue me  
Now would be perfect
