I will walk away from you
(Don't stop me)
I will walk away from you
(Don't blame me)

I have felt the ugly midget kicking on my knee
I have seen the ugly midget walking over me

I will tell you what I've learned
We're through as far as I'm concerned
Break up and just before we do
I will walk away from you

I will walk away from you
(Stop me)
I will walk away from you

(Blame me)

I have had enough of you
Tell me you hate me too
Or embrace me and forget
What I have said to you

I will tell you what I've learned
We're one as far as I'm concerned
Make up and just before we do
I will be walking back to you

Walking back to you
Walking back to you
Walking back to you
Walking back to you
