In a dark well  
Late at night  
Children crying  
They've lost their kite  
They're left with nothing but

Giant lizards  
Eating deer  
Growing appetite  
As they notice that  
Their prey's still breathin'

Lizards' eyes reflection  
Shows a glimpse of imperfection  
Through the  
Spastic sighs of innocence  
Of deer's blood  
And it's cruel attraction

White kite fauna, do you feel?  
White kite fauna, is it real?  
Is it real?

In a dark well  
I found a kite  
Bloodstained  
So beautiful  
Recognizable

I close my eyes and  
I perceive  
Marble emptiness  
Looking for  
My soul to bless

Lizards' eyes reflection  
Shows a glimpse of imperfection  
Through the  
Spastic sighs of innocence  
Of deer's blood  
And it's cruel attraction

White kite fauna, do you feel?  
White kite fauna, this is real  
White kite fauna, do you feel?  
White kite fauna, will it heal?  
Will it heal, yea, eee, yea?  
Oh yea, eee, yea, eee, yea, eee, yea  
Eee, yea, eee, yea, eee, yea  
No, no, no, no, no

In a dark well  
Late at night  
I am crying  
I've lost my kite  
Left with nothin'
