I was talking to a girl today
I said hey what is your name
She said not now, I've gotta go
I followed her down the hall
Right into the bathroom stall
I could tell she had something to show
...but no

All she would show me was the bathroom floor
After leveling me with the stall door

Determination is the key
So this time, when I showed her me
I said, you know, I'm in a band

She said why didn't you say so
I'm Kandy with a K, so
I guess you want to hold my hand

Now she shows me her true colors
And the best intentions were not hers

I said no, actually
I just date Candys with a C
I was only wondering
My consciense wouldn't let me go
So I just wanted you to know
I think you're really pretty
