The look within you eyes, baby
it makes me wonder why, lady
you want to get with me , darlin
when i thought we were just friends
then you made your move on me
you started moving on me strongly
even though nobody was around,
I still had to tell you to slow it down

CHORUS(repeat)

We don't have to rush the night away
there's always going to be another day
a time to make love and a time to play
what i'm trying to say, take love slowly

when i took you to my house baby you got buck wild
and kicked off your shoes
then you started dancing
i said come over here have a little seat with me
all i wanna do is watch a little bit of tv
she started rubbin' on my legs
fingers in my hair
then you got silly
said let's play truth or dare
i'm not in the mood
honey i swear
baby you're otta control
i had to get up out of there

CHORUS(repeat)

We don't have to rush the night away
there's always going to be another day
a time to make love and a time to play
what i'm trying to say, take love slowly
don't rush it
don't rush (don't)
don't rush it
don't rush (don't)
don't rush it
don't rush (don't)
don't rush it

don't rush (don't)
don't rush it
don't rush (don't)
don't rush it baby

we don't have to rush the night away(repeat4times)
there's always going to be another day
a time to make love and a time to play
what i'm trying to say, take love slowly
