Baby I was willing to give you all of my love
Baby I was willing to give you all of my time
Just so we could be together
And share a love, to last forever (to last forever)
And that's when you came and said to me
That we should spend some time apart
Why did you go and do that
Baby I just can't take it
If you don't want me, tell me

Girl, If you don't really love me
Just let me know, you would see
On the way, it shouldn't be
Girl, If you don't really love me
Just let me go, let me be
So I can find someone to love me

ba ba ba ba ba da ah, ba ba ba ba ba da ah
ba ba ba ba ba da ah, Why did you do this to me?
ba ba ba ba ba da ah, ba ba ba ba ba da ah
ba ba ba ba ba da ah, Why did you do this to me?

What kinda of man do you think that I am
To let you play with my heart
And what kind of fool do you take me for baby
I just won't stand for it anymore

Girl, If you don't really love me
Just let me know, you would see
On the way, it shouldn't be
Girl, If you don't really love me
Just let me go, let me be
So I can find someone to love me

Girl, tell me do you want me
I gotta know right now
Tell me right now girl
Girl, I've been your fool
Too long for you
(And I can't wait)
And I can't wait anymore

Girl, If you don't really love me
Just let me know, you would see
On the way, it shouldn't be
Girl, If you don't really love me
Just let me go, let me be
So I can find someone to love me

Girl, If you don't really love me
Just let me know, you would see
On the way, it shouldn't be
Girl, If you don't really love me
Just let me go, let me be
So I can find someone to love me
