Either you're with me or against me

Tell me what you wanna do
Do ya wanna be with me
Baby you're lookin' so good tonight
I can't control myself
I wanna take you home with me
Lay you on your back
Take off all your clothes
Make love to you like you never ever known
And I'm gonna take my time
Give it to you right

I'm gonna make love to you all night

I just wanna make love to you
But we got to do it right
I just wanna make love to you
I don't wanna fuss and fight
I just wanna make love to you
But we gotta do it right
I just wanna make love to you
I don't wanna fuss and fight

24/7/365 days of the year
All I wanna do is just have your body near
All I wanna do is do you so right
All I wanna do is make love to you all night

24/7/365 days of the year
I'll do anything to have your body here
Lets fly high with the bird we call the dove
Lets fly high while we're makin' love

I just wanna make love to you
But we gotta do it right
I just wanna make love to you
I don't wanna fuss and fight
I just wanna make love to you
But we gotta do it right
I just wanna make love to you
I don't wanna fuss and fight

Oh you're lookin' so good

You look so nice

Do ya wanna dance?

Boy I don't mind

Take my hand and follow me

I thought that you would never ask me

Lets dance the night away

Do you ever think that when you're makin' love on the
dance floor

I'm gonna do so many freaky things to you

I'm gonna hold you so close

And grind on you real slow

I'm gonna make you wanna get your coat on

And come on home with me

I just wanna make love to you

But we gotta do it right

I just wanna make love to you

I don't wanna fuss and fight

I just wanna make love to you

But we gotta do it right

I just wanna make love to you

I don't wanna fuss and fight

I just wanna make love to you
